## SPECIFICATION

|                         |                        |
|-------------------------|------------------------|
| Model                   | <b>GW-MRH-605S</b>     |
| Engine Model            | RD90N-1                |
| Engine Type             | Water-cooled           |
| Power (HP)              | 9                      |
| Fuel                    | Diesel                 |
| Starting Model          | Manual & Electric      |
| Drive Type              | Daikin Japan Hydraulic |
| Vibration System        | Electric               |
| Travelling Speed (m/hr) | 0-40                   |
| Gradeability            | 25                     |
| Vibration (Hz)          | 55                     |
| Water Tank Capacity (L) | 35                     |
| Drum Size               | 356*650*2              |
| Centrifugal force (KN)  | 10.8                   |

## DIMENSIONS & WEIGHT

L x W x H  
Weight

1830\*760\*1340  
605
